Agendapunt:

**Aanvullende informatie over de heren Haras Rafiq en Maajid Nawaz**

De Britse Haras Rafiq en Maajid Nawaz gelden als expert op het gebied van radicalisering, adviseren in die hoedanigheid de Britse overheid en staan aan het hoofd van 's werelds eerste counter-extremism organisatie

<https://www.quilliaminternational.com/>

- Haras Rafiq is Quilliam's CEO and an Executive Board Member. He is currently a member of Prime Minister's Community Engagement Forum (CEF) Task Force and was formerly a member of the UK Government's task force looking at countering extremism in response to the 2005 terrorist bombings in London, as well as being a peer mentor for IDeA – advising regional government. He is also a member of the Advisory Group on Online Terrorist Propaganda at Europol's European Counter-terrorism Centre (ECTC). Haras is also a trustee for the Franco British Council.
- Maajid Nawaz is a counter-extremist, author, columnist, broadcaster and Founding Chairman of Quilliam – a globally active organisation focusing on matters of integration, citizenship identity, religious freedom, immigration, extremism and terrorism. Maajid's work is informed by years spent in his youth as a leadership member of a global Islamist group, and his gradual transformation towards liberal democratic values. Having served four years as an Amnesty International adopted 'prisoner of conscience' in Egypt, Maajid is now a leading critic of his former Islamist ideological dogma, while remaining a secular liberal Muslim.
