Dear Ms. Turner,

Thank you for your letter, dated August 4th 2020, and for your ongoing engagement and detailed information in relation to the Dutch support to Union of Agricultural Work Committees (UAWC).

We take note of the points you raise – both in your letter as well as in the updated report – and will ensure that these deliberations will be addressed in the pending external review.

Furthermore, regarding your questions about this external investigation, please note that at this point there is no further information available on who will carry out the review, as we are still in the process of selecting eligible candidates, nor on the time frame.

Thank you again,

Yours sincerely,
